Dear Harold,

Thank you for the xeroxed item you sent; it was not, however, mine.

I've just arrived in Madeira a few days ago and am in the process of getting settled - have to take a big exam

in August. I brought some of my RFK stuff, but not all of it.

I saw Lesar briefly a couple of weeks ago, and he made some comments on how an FOIA form letter should be adopted for the RFK case. Enclosed is a first draft, based on his comments (copy also to Lesar and Mehlman).

I'd be very interested in any thoughts you had on the ad or possible changes. I'll try to call you a little in a week or so.

I hope things go well.

Regards,

Greg Steo
